INCIDENT SOURCE (INFORMANT) INFORMATION			
Name:	STEVEN BARROWS		
Address:	City:	ZIP	State
Phone Number:	9188372838		
Incident Description:	They have collapsed air handlers on roof that had left large open holes allowing unfiltered gasses and smoke into the atmosphere. This smoke contains H2s gasses and other harmful chemicals. They are also using the parking lot as a dump site for rotten meats and other materials because plant won't shut down long enough to make proper repairs. This is a work safety concern for environmental concern. I have tried to upload photos and videos but they will not go through. Feel free to contact me for videos and pictures.
